

## The Timber of Motherhood

Life's source is the womb, our cradle of sinews and vessels of love,  
To which each of us owes our debt of life, our pulse of heart, of soul.  
For Motherhood remains the triumph of breeding; she holds our laurels,  
And when the fullness of life is trampled with burden of defeat,  
To Motherhood we reset our step to recall the imprint of her love.  
'Tis our human forest in which every limb of timber twines to another,  
Some limbs do bear fruit of their Mother's sap and affection,  
Some limbs express the gnarl of contempt, thorns etch their bark,  
For then limbs become this tangle, in which love and strife contest for life.  
Motherhood weeps.

So do we this the season of Mother's Day make our humble gait to her gate,  
Shred our kindling of self, look into those eyes glazed of love and trust,  
Enter once more into the peace and compassion beheld by every Mother,  
And declare her laurels to be the timbers of our hearts -  
...blessed with thanks.

### Is long-term care the right choice for me or my loved one?

Wherever possible, Home and Community Care Support Services start by getting people the care and support they need to stay in their homes. People whose health care needs can be managed at home, or who need help with specific day-to-day tasks, like bathing, dressing or cooking, may be able to receive support at home through our home care services. When it becomes necessary to consider alternative living arrangements, they help you and your family understand your options, including: Assisted living; Supportive housing; Retirement homes

If you feel staying at home is no longer possible and the above options do not provide the appropriate supports, it may be time to consider a long-term care home for ongoing health care in a residential setting. Long-term care homes are residential homes that provide ongoing care to patients whose care needs cannot be met in the community. People may require this level of support due to advancing age, disability or declining health.

**Imagine if there was no place to go.**

**Imagine that you live alone and need help.**

**Imagine the relief for a 24-7 Caregiver to have a place close to home to visit their family member**

We may not like these facilities however

**Imagine where people would be without them.**

Delayed admission to a long-term care home can result in health complications for people waiting, as well as create stress for them, family members and other caregivers. If people are waiting in hospital when they could be in a long-term care home, it may affect the hospital's ability to provide services to other patients who require hospital care.

The Ontario government has invested \$6.4 billion to build 30,000 net new long-term care spaces by 2028. This includes a \$3.7 billion investment beginning in 2024-25, on top of the historic \$2.68 billion already invested since Spring 2019. The funding will be used to add new capacity and upgrade older spaces to modern design standards. It supports the government's goal of ending hallway health care, addressing growing waitlists, and ensuring that every resident experiences the best possible quality of life, supported by safe, high-quality care. Funds have been allocated for a new facility in Thornbury at the Campus of Care.

Another great show opens at the Library Gallery titled *That Which Inspires Us*. Now on until the end of May.

## Ontario Supporting Young Entrepreneurs

Summer Company program helping next generation launch new businesses

WHITBY — The Ontario government is providing an additional investment of \$1.5 million to bolster its Summer Company program, helping an additional 250 young people start and grow a business. The investment will increase total funding for the program to more than \$4.7 million over the next two years.

"Ontario continues to help the next generation of youth-led businesses through the Summer Company entrepreneurship program," said Nina Tangri, Associate Minister of Small Business. "This exciting program expands the pipeline of entrepreneurs by providing more students with the training and supports they need to launch and run their own summer business. It's good for our young people and fantastic for Ontario's future economy."

The Summer Company program provides students between the ages of 15 and 29 with at least 12 hours of business training, one-on-one mentoring and grants up to \$3,000 to start a full-time business. Over the past five years, the program, delivered through Small Business Enterprise Centres, has helped launch over 1,700 businesses across Ontario.

"Small businesses and entrepreneurs, including youth entrepreneurs, are a critical part of Ontario's plan to grow the economy," said Peter Bethlenfalvy, Minister of Finance. "Our government is proud to support our province's young people through the Summer Company program as they start and grow their careers."

Small businesses play a critical role in our communities and are an essential part of Ontario's economy, employing over two million people. Ontario offers a range of programs and supports to assist entrepreneurs towards starting and growing new companies, including Regional Innovation Centres, Intellectual Property Ontario, Starter Company Plus and tailored options, advice and business analysis through business advisory services.

Applications for the 2024 Summer Company program are being accepted until May 17, 2024.

## Community Safety & Well-Being Planning

### CSWBP Homelessness Response Steering Committee Housing Individuals and Families in Grey & Bruce

The Community Safety and Well-Being Planning Homelessness Response Steering Committee has been working diligently to ensure community members are safely housed. The committee is a partnership with Bruce County, Grey County, and community service providers to further develop approaches to addressing homelessness through a rural perspective. In January and February 2024, 33 households have been housed from the By-Names List across Bruce County and Grey County. Having local data to measure the impact of coordinated services continues to drive changes in service delivery approaches and provides partners with the information needed to continue planning for our communities.

#### What is the By-Name List (BNL)?

A By-Name List is a real-time list of all known people experiencing homelessness in your community. It includes a robust set of data points that support coordinated access and prioritization at a household level as well as an understanding of homeless inflow and outflow at a system level.

As of February 2024, the combined Bruce-Grey BNL identified 170 households experiencing active homelessness. Of those, 126 individuals are experiencing chronic homelessness, meaning they have been without stable housing for more than 6 months.

#### Homelessness Response

The primary goal of homelessness response is to lower the number of households experiencing chronic homelessness by increasing access to tenancies and decreasing the number of households entering the system. To help reach this goal, both Grey and Bruce Counties offer 10% of vacant housing units to individuals or families on the active By-Name List.

In addition, both Grey County and Bruce County offer Emergency Shelter and/or Short-Term Housing programs. These programs support as many households as possible with time limited shelter when experiencing homelessness. Community members can call 211 for the most up to date information about these programs, including information on how to access support.

The Homelessness Response team in Bruce and Grey is working hard to prioritize services and provide the highest level of supports to the residents of the community.

To learn more about the Homelessness Response please visit: <https://www.grey.ca/resident-services/community-services/housing-programs-and-services/apply-affordable-housing>

#### What is the Community Safety and Well-Being Plan (CSWBP) Grey-Bruce?

Community Safety and Well-Being Planning helps organizations improve the things that keep us healthy, happy, and safe. Together, we use research to create solutions focused on education, health care, food, housing, income, crime, and belonging. It is important that we create a welcoming community where problems are solved before they happen and where different professionals and community members come together to help people now and in the future.

The ongoing work of CSWBP is supported by an advisory committee representing over 74 partners from across Bruce and Grey who are working together to address crime prevention by investing in social development, prevention, and risk interventions. This upstream preventative model focuses on creating protective factors that make individuals less vulnerable to crime and victimization.

## Applications Now Open for Ontario Learn and Stay Grant

Students enrolled in eligible health human resource programs could receive free tuition, books and other supplies

TORONTO — The Ontario government has opened grant applications for the Ontario Learn and Stay Grant for the 2024-25 academic year. Postsecondary students who want to pursue a career in nursing, paramedicine or medical lab technology can now apply for the grant. Nearly 3,800 learners have already received funding through the grant to help pay for their postsecondary education.

The grant is designed to encourage students to learn and stay locally, helping to bring in-demand health care workers to underserved communities across the province.

“As the first year of the Ontario Learn and Stay Grant wraps up with great success, we’re excited to open applications for the 2024-25 academic year,” said Jill Dunlop, Minister of Colleges and Universities. “By making it easier for future health care workers to access world-class training through this grant, we’re helping to build a stronger, more resilient health care workforce in the communities that need it most.”

The grant provides full, upfront funding for tuition, books and other costs for students who enrol in the first or second year of an eligible nursing, paramedic or medical laboratory technologist program and agree to stay in underserved communities to work after graduation.

“Our government is taking bold action to continue to grow Ontario’s health care workforce for today and years to come,” said Sylvia Jones, Deputy Premier and Minister of Health. “The Learn and Stay Grant is adding more health care workers in communities across the province to ensure no matter where you live, you can connect to the care you need, where and when you need it.”

Grant applications are now open for postsecondary students who enrol in their first or second year in the following programs and regions:

- Nursing programs in northern, eastern and southwestern Ontario
- Medical laboratory technologist/medical laboratory sciences programs in northern and southwestern Ontario
- Paramedic programs in northern Ontario.

Students can find the application, as well as information about eligible programs and regions, at [ontario.ca/learnandstay](http://ontario.ca/learnandstay).

### Quick Facts

Since the launch of the grant in 2022, there has been a nearly 40 per cent uptake in paramedic programs compared to the previous year’s enrolment in those programs.

Students can apply for the grant up to 60 days before the end of their study period, meaning they can apply well after they’ve started their eligible 2024-25 program.

To be eligible for the grant, students must:

- be a Canadian citizen, permanent resident or protected person and live in Ontario
- enrol in the first or second year of an eligible diploma, advanced diploma, undergraduate, masters or post-graduate program in a priority region
- commit to work in the region where they studied for a minimum of six months for every year of study funded by the grant.

Students can also apply for the Ontario Student Assistance Program (OSAP) to help pay for other costs, such as living expenses.

**What Are Chakras?**

Chakras are spinning wheels that disperse energy. Each of these Vortex centres in your body diffuse the life force through parts of the human organism. This smooth energy flow plays a crucial role in maintaining your overall well being. Your physical, mental and spiritual health depend on this balanced flow keeping all of your body's functions at their optimum. A meditation on each Chakra can energize your whole body giving it strength, vitality and harmony. There are several websites that describe focused meditations that you can practice at home to energize and balance your body, mind and spirit. The first step is to exhale deeply from your nostrils down through your body right to your toes visualizing all the toxins, tightness and negative thoughts leaving your being.

Ahimsa will be facilitating a workshop at Inner Yogies in Thornbury on Chakra Meditation. If you wish to be notified of the date please call, text or e-mail and you will receive a notification.

### Notice of Public Meeting Application for Zoning Bylaw Amendment

**Property Location:** Town-wide

A Public Meeting to consider this application has been scheduled for May 14, 2024 at 9:30 am, Hybrid Format (In-person AND Virtual/Online)

**Location:** Council Chambers, Town Hall 32 Mill Street, Thornbury, ON N0H 2P0 OR Virtual - Online format using Microsoft Teams

#### What is being proposed?

The proposal is seeking an amendment to Zoning By-law 2018-65 to update the Development 'D' Zone provisions. Currently, the zoning provisions of the former Town of Thornbury Zoning By-law 10-77 and Township of Collingwood Zoning By-law 83-40 continue to apply to lands zoned D within the Town. This has resulted in confusion regarding the permitted uses and standards associated with these lands.

In order to provide greater clarity for owners of D-zoned land, the Town is proposing to remove Section 1.5(g) of the Zoning By-law, which requires reference to the former Town of Thornbury and Township of Collingwood Zoning By-laws. In lieu of this provision, a list of permitted uses and standards will be developed for all D-zoned lands and incorporated into Zoning By-law 2018-65.

A draft of proposed provisions is included with this notice. Please note that these are subject to change following public consultation and a decision of Council. It is also noted that existing uses would be permitted to continue in accordance with Section 4.24 of the Zoning By-law

The effects of the draft provisions on D-zoned properties would include:

1. Additional residential units are added as a permitted use;
2. Existing uses are permitted to continue;
3. Any modifications to main buildings must continue to meet the setbacks and height standards as established at the time of the By-law being passed;
4. Construction of new single detached dwellings on vacant properties are prohibited;
5. New accessory buildings and structures and additional residential units can be constructed in accordance with the relevant zoning provisions applicable to those uses.

To determine if your property is zoned Development 'D', please use the Town's Interactive Zoning Map, which can be found on the Zoning Information page of the Town website.

#### Where do I find more information?

Our website contains background studies, reports, plans and drawings. They are available for viewing or download at [www.thebluemountains.ca/dzonezba](http://www.thebluemountains.ca/dzonezba).

Or come visit us in Planning Services, Town Hall during regular office hours Monday to Friday 8:30 a.m. to 4:30 p.m. or contact the planner for this file.

#### What happens at the Public Meeting?

The public meeting is your chance to hear more about the proposal and make your views about it known. You may also speak at the meeting or submit written comments. Information from the public will help Council in their decision-making process, so make sure to have your say!

Any person or agency may attend the Public Meeting and/or make verbal or written comments either in support or in opposition to the proposed amendments.

#### Where do I submit my comments?

Your written comments may be sent to the Town Clerk, Corrina Giles:

By Mail or in Person:

32 Mill St. Box 310, Thornbury ON, N0H 2P0

Fax: (519) 599-7723

Email: [townclerk@thebluemountains.ca](mailto:townclerk@thebluemountains.ca)

#### When will a decision be made?

A decision on this proposal has NOT been made at this point and will NOT be made at the Public Meeting. After reviewing the application and any comments received, Town staff will bring recommendations on this project to a future council meetings.

#### Want to be notified of a decision?

You must make a request in writing if you wish to receive a notice of any decision of Town Council on this proposal.

#### Questions? Want more information?

### Notice of Public Meeting Application for Zoning Bylaw Amendment (Continued)

#### 1.5 REPEAL OF FORMER BY-LAWS

Subject to Section 1.5(a) through (g) By-law 83-40 of the former Township of Collingwood and By-law 10-77 of the former Town of Thornbury and all amendments hereto are hereby repealed.

g) DELETED

#### 8.1 ZONES

Table 8.1 – Agricultural, Rural, Recreational and Other Zone Use Permissions

Permitted Use	D
<i>Additional Residential Unit</i>	X

#### 8.2 ZONE STANDARDS

Table 8.2 – Agricultural, Rural, Recreational and Other Zone Standards

Zone Standard	D
Minimum <i>lot area</i> (ha)	(1)
Minimum <i>lot frontage</i> (m)	(1)
Minimum <i>front yard</i> (m)	(1) (4)
Minimum <i>exterior side yard</i> (m)	(1) (4)
Minimum <i>interior side yard</i> (m)	(1) (4)
Minimum <i>rear yard</i> (m)	(1) (4)
Maximum <i>height</i> (m)	(1) (4)

#### Special Provisions

(1) As existing on the date of passing of this By-law.

(4) Accessory buildings and structures and additional residential units are permitted to be located in accordance with Sections 4.1 and 4.3, respectively.

#### Your rights to appeal a decision:

1. Any persons may attend the public meeting and/or make written or verbal representation either in support of or in opposition to the proposed Zoning By-law Amendment.
2. If a person or public body would otherwise have an ability to appeal the decisions of the Town of The Blue Mountains to the Ontario Land Tribunal but the person or public body does not make oral submissions at a public meeting or make written submissions to Town of The Blue Mountains before the Zoning By-law Amendment is approved or refused, the person or public body is not entitled to appeal the decisions.
3. If a person or public body does not make oral submissions at a public meeting or make written submissions to the Town of The Blue Mountains before the Zoning By-law Amendment is approved or refused, the person or public body may not be added as a party to the hearing of an appeal before the Ontario Land Tribunal unless, in the opinion of the Tribunal, there are reasonable grounds to do so.
4. If you wish to be notified of the decision by the Town of The Blue Mountains in respect to the approval or refusal of the Zoning By-law Amendment, you must make a written request to the Town at the addresses noted on the previous page. Please note the file numbers noted above when directing correspondence to the Town.

### Notice of Public Meeting Proposed Water and Wastewater Allocation Policy

A Public Meeting to consider this application has been scheduled for Tuesday, May 14, 2024 at 9:30 am, Hybrid Format (In-person AND Virtual/Online).

Location: Council Chambers, Town Hall 32 Mill Street, Thornbury, ON N0H 2P0 or Virtual - Online format using Microsoft Teams

#### What is being proposed?

The Town of The Blue Mountains is seeking to develop a Water and Wastewater Allocation Policy. This policy aims to provide a clear and cohesive set of guidelines that will govern the equitable allocation of water and wastewater resources to meet the evolving needs of the growing community in the most beneficial manner possible.

Currently, allocation is granted on a “first come, first serve” basis and the Town does not have a mechanism in place to grant allocation with a lens to community priorities. To do so, the Town is developing a policy that is inclusive of scoring criteria and an evaluation framework that can be applied when a development is positioned to execute an agreement to commence construction.

#### Where do I find more information?

Additional information can be found in Staff Report PDS.23.131 ‘Request for Public Meeting for Water and Wastewater Allocation Policy’ available on the Town website.

Or come visit us in Planning Services, Town Hall during regular office hours Monday to Friday 8:30 a.m. to 4:30 p.m. or contact the staff lead for this file.

#### What happens at the Public Meeting?

The public meeting is your chance to hear more about the proposal and make your views about it known. You may also speak at the meeting or submit written comments. Information from the public will help Council in their decision-making process, so make sure to have your say!

Any person or agency may attend the Public Meeting and/or make verbal or written comments either in support or in opposition to the proposed policy.

#### Where do I submit my comments?

Your written comments may be sent to the Town Clerk:

By Mail or in Person:

32 Mill St. Box 310, Thornbury ON, N0H 2P0

Fax: (519) 599-7723

Email: [townclerk@thebluemountains.ca](mailto:townclerk@thebluemountains.ca)

#### When will a decision be made?

A decision on this proposal has NOT been made at this point and will NOT be made at the Public Meeting. After reviewing the application and any comments received, Town staff will bring recommendations on this project to a future council meeting.

#### Want to be notified of a decision?

You must make a request in writing if you wish to receive a notice of any decision of Town Council on this proposal.

#### Questions?

Adam Smith, Director of Planning and Development Services

Phone: (519) 599-3131 ext. 246 or Toll Free (888) 258-6867

Email: [asmith@thebluemountains.ca](mailto:asmith@thebluemountains.ca)

### Notice of Study Commencement and Public Information Centre Wastewater Master Plan

The Town of The Blue Mountains has initiated a Municipal Class Environmental Assessment (MCEA) to complete a Wastewater Master Plan. This study is being conducted according to the requirements of Phases 1 and 2 of the MCEA process which is an approved process under the Environmental Assessment Act. This Master Plan is being completed as an Approach 2 Master Plan with sufficient detail to fulfill the requirements for Schedule 'B' projects (e.g., new or upgraded sewage pumping stations, forcemains, etc.).

#### How will this affect me?

The purpose of the study is to evaluate the Town's long-term wastewater treatment and collection system needs and identify a preferred solution to be implemented to improve the system to accommodate the Town's growth. This process will help to identify system requirements and assist with long-term capital planning. Public and agency consultation is a key element of the process and input will be sought throughout the study to inform the evaluation and selection of the preferred wastewater servicing strategy.

#### Where do I find more information?

If you wish to add your contact information to the study mailing list, or if you have any questions regarding the study, please see the Contact Information section of this notice. A dedicated project page has been added to the Town's website at: [www.thebluemountains.ca/WWMasterPlan](http://www.thebluemountains.ca/WWMasterPlan)

In accordance with Ontario's Municipal Freedom of Information and Protection of Privacy Act (MFIPPA), The Corporation of The Blue Mountains wishes to inform the public that all information including opinions, presentations, reports, and documentation provided for or at a Public Meeting, Public Consultation, or other Public Process are considered part of the public record. This information may be posted to the Town's website and/or made available to the public upon request.

#### Contact Information

If you have any questions regarding the project, please contact one of the people listed below.

##### Town of The Blue Mountains

Allison Kershaw  
Manager of Water and Wastewater Services

### Notice of Passing of a Development Charges By-law by The Town of The Blue Mountains

At the April 15, 2024 Council Meeting, and in accordance with Section 2 of the Development Charges Act, Council passed By-law 2024-29 being a By-law to establish Development Charges for the Corporation of the Town of The Blue Mountains.

The development charges in the By-law will apply to all new residential and non-residential development, subject to certain terms, conditions and limited exemptions as identified therein. Town-wide development charges are levied against new development to pay for the increased capital costs related to the provision of municipal services such as Public Library, Fire Services, Police Department, Parks and Recreation, By-law Enforcement, and Services Related to a Highway: Public Works and Roads and Related services. The development charges imposed under the By-law come into effect on April 15th, 2024. Notice of the Passing of a Development Charges By-law by the Town of The Blue Mountains is being provided for residents and organizations to review.

Persons or organizations who wish to appeal the By-law with the Ontario Land Tribunal must file their Notice of Appeal with the Town Clerk by Monday May 27, 2024. A processing fee will be payable to the Town of The Blue Mountains Clerk's Office with the appeal application. The appellant is advised to contact the Ontario Land Tribunal to access required forms and applicable Provincial fees.

---

TAKE NOTICE that the Council of the Town of The Blue Mountains passed Development Charge By-law No. 2024-29 on the 15th day of April 2024, under Section 2 of the Development Charges Act, 1997.

AND TAKE NOTICE that any person or organization may appeal to the Ontario Land Tribunal under Section 14 of the Act, in respect of the Development Charges By-law, by filing with the Clerk of the Town of The Blue Mountains no later than Monday, May 27th, 2024, a notice of appeal setting out the objection to the By-law and the reasons supporting the objection. A processing fee will be payable to the Town of The Blue Mountains Clerk's Office with the appeal application. The appellant is advised to contact the Ontario Land Tribunal to access required forms and applicable Provincial fees.

The charges in the aforementioned By-law will apply to all new residential and non-residential development, subject to certain terms, conditions and limited exemptions as identified therein. Town-wide development charges are levied against new development to pay for the increased capital costs related to the provision of municipal services such as Public Library, Fire Services, Police Department, Parks and Recreation, By-law Enforcement, and Services Related to a Highway: Public Works and Roads and Related services.

Rates imposed for the Service Areas of Craigeleith, Castle Glen, Osler, Thornbury East, Thornbury West, Clarksburg, Lora Bay (SA1, SA2 and SA3), Camperdown and Swiss Meadows are related to the provision of Water and Sanitary Sewer services. Schedules 1 to 4 below set out the residential and non-residential development charge rates applicable throughout the Town by service area. Map 1 delineates all applicable Service Areas within the Town in which the area specific charges are applied.

The development charges imposed under the By-law come into effect on April 15th, 2024. Copies of the complete Development Charge By-law are available for examination during regular business hours (weekdays from 8:30 a.m. to 4:30 p.m.) in the offices of the municipality located at 32 Mill Street Thornbury, ON and on the website at [www.thebluemountains.ca](http://www.thebluemountains.ca). For further information, please contact the Clerk's Office at 519-599-3131 x232.

Dated at the Town of The Blue Mountains this 18th of April, 2024.

**Corrina Giles**

Town of The Blue Mountains

### Map 1 – Service Area Map

## Grey County Council Chooses Contractor For Historic Rockwood Terrace Construction

The tender has closed for the largest capital construction project in Grey County history. Grey County Council is recommending awarding the Rockwood Terrace general construction contract to Melloul-Blamey Construction Ltd. with a bid of \$59,230,000 (excluding HST). Council made the decision at the April 25 session of Committee of the Whole. The project will be co-funded by the provincial government and requires approval from the Ministry of Long-Term Care before the tender can be formally awarded.

"Nearly a decade of discussions, planning, consultations, and revisions have led us to today's historic vote by Council that will solidify high-quality public long-term care services in southern Grey County for decades," said Grey County Warden Brian Milne. "This is a huge milestone in the project but there's still an incredible amount of work ahead of us. We look forward to working with Melloul-Blamey Construction Ltd. in building this state-of-the-art home."

The general contractor is responsible for the construction of the new 128-bed, Class A long-term care home in Durham. The current Rockwood Terrace facility has only 100 beds and was built in the 1980s. Its operating license is expiring, and this provides the County with an opportunity to upgrade it to meet changing standards set by the Ministry of Long-Term Care.

Redeveloping a long-term care home is a heavily detailed and regulated process. Resident experience has been central to the planning and design of the new home. Grey County engaged with residents, family members, and frontline workers to design the building to meet the needs of everyone in the home. Emphasis was placed on resident room design, infection prevention and control, dining room experience and an overall community feeling throughout the home. Kasian Architecture Inc. and Ted Handy and Associates have led the design phase.

Work at the site has been ongoing since the fall of 2023.

JT Excavating Ltd. was awarded the sitework contract last fall and has built roads, cleared and graded the site and prepared it for servicing. A second phase of sitework will take place after construction is substantially completed and will include work like final paving and sidewalks.

The total budget for the Rockwood Terrace reconstruction project is \$96.7 million. Redevelopment costs will be funded by both Grey County and the provincial government. The province will provide \$62.9 million toward the project, \$48.5 million of this amount through annual transfer payments over the next 25 years. Grey County will finance the balance of the costs through a loan from Infrastructure Ontario. Contributions to a redevelopment reserve are being made in anticipation of the loan expense.

Grey County hopes to receive approval from the province to award the contract very soon. Work on the site is anticipated to begin in mid-June.

More information on the Rockwood Terrace redevelopment project can be found on the Grey County website at [www.grey.ca/rockwood-redevelopment](http://www.grey.ca/rockwood-redevelopment).

## Embark on a Cinematic Journey for Conservation: Earth Film Festival Tickets Available Now!

The Grey Sauble Conservation Foundation (GSCF) is thrilled to announce the **7th annual Earth Film Festival at the Roxy Theatre in Owen Sound** on Thursday, May 16, 2024. Purchase your tickets now and get ready to be immersed in the power of cinema and community at this conservation-focused event. Featuring two films, a panel discussion with local youth, a dinner fundraiser, and online auction, the Earth Film Festival is an essential experience for environmentalists from Grey, Bruce, and beyond!

This year's festival promises an engaging lineup with two compelling films. **"The Water Walker"** will captivate audiences with the inspiring journey of Autumn Peltier, International Indigenous Rights & Water Activist. This presentation will incorporate a thought-provoking panel discussion with Autumn Peltier and local youth, shedding light on the critical importance of water security in our communities. Additionally, **"Becoming Tom Thomson"** will transport viewers back in time, exploring the life and legacy of Canadian wilderness painter Tom Thomson, presented by Canadian Actor, Director, and Producer, Steve Belford.

Enhancing the Earth Film Festival experience, the GSCF is excited to introduce a new element this year - a dinner fundraiser curated by chef Zach Keeshig! Indulge in a creatively cultivated 3-course menu featuring progressive Indigenous Cuisine with local, fresh, and seasonal ingredients. This culinary journey will be held at the Owen Sound Farmers' Market (88 8th St E., Owen Sound) before the evening film presentations from 5:00 pm - 6:30 pm.

The traditional silent auction will be online this year from May 9 - 23, featuring a variety of local hand-crafted products, services, and experiences. All items will be on display during the evening presentation of the Earth Film Festival. Don't miss your chance to bid on these unique items, with all proceeds supporting Grey Sauble Conservation.

Visit Charity Auctions Today's website when the online auction goes live on May 9: [www.charityauctionstoday.com/bid/earthfilmfestival2024](http://www.charityauctionstoday.com/bid/earthfilmfestival2024)

Attending this event or participating in the online auction will directly impact local conservation projects, environmental education, and student education awards supported by the Grey Sauble Conservation Foundation.

Tickets are \$30 for the evening film presentations or \$150 for both the film presentations and the dinner. The school matinees are \$7 per student.

Secure your tickets now through The Roxy Theatre: 519-371-2833 or [www.roxytheatre.ca](http://www.roxytheatre.ca)

## Art Show at the L.E. Shore Gallery for May

For this show, four artists (P. Annie Churchill, George Rutherford, Heather Bennett and Maureen White) have joined together to explore the elements, subjects and scenes that inspire them. The exhibit beautifully demonstrates how inspiration can emerge from anywhere - a body of water, a piece of cloth or a shade of color. The show will be in The Gallery until May 29.

# Ham Dinner With Scalloped Potato Friday May 10

## Volunteers needed for a Tree Care

Day at Delphi Point Park May 13th

Tree Trust TBM is looking for volunteers on Monday, May 13, 5-7 pm, rain or shine to help with critically important tree-care, helping to distribute compost and mulch to recently planted trees in Delphi Point Park. Volunteers are asked to bring garden gloves, footwear suitable for gardening, and a rake or shovel if you have one. Delphi Point Park is located off of Delphi Lane and 209233 Hwy 26. We look forward to seeing you there, and working together to give these trees some TLC.

# BLUE CLAY

**BLUE MOUNTAIN POTTERY DOCUMENTARY**

**SIMCOE STREET THEATRE, MAY 18TH | 7PM**

**Q&A with  
Producer & Director  
Tracey Strnad**

**Come to the Final Night of the REEL History Film Fest!**

The Blue Mountains Public Library and Craighleith Heritage Depot have been celebrating the Blue Mountains by screening their award-winning documentaries with engaging talks from guest speakers.

On May 18 watch the Blue Mountain Pottery film "Blue Clay" at the Simcoe Street Theatre in Collingwood. This documentary tells a true Canadian immigration story that shares the lives of courageous innovators who believed in Canada and the creative arts. The festival wraps up with a special Q&A with Film Director, of Mountain Goat Film Company, Tracey Strnad. A fun night of captivating entertainment.

Learn about local history and help your community Museum make more films! Saturday May 18, show starts at 7 pm. Admission is by donation, with all proceeds going towards making more documentaries and preserving local history.
